

## Trash and Recycle Services Update

RUSK COUNTY, TX - The City of Henderson is contracted with Waste Connections for trash services. In light of the circumstances regarding COVID-19, Waste Connections is waiving extra cart fees for additional carts needed as families are encouraged to stay home.

The Recycle Center has currently been closed to the public and will remain closed. We encourage you to use your recycle can for now and we'll re-open when we can. All trash and recycle services are still being picked up weekly.
