The City of Henderson Fire and Police Departments, in partnership with Carter Bloodcare, would like to extend our thanks, appreciation and gratitude for the overwhelming support of the 2020 Battle of the Badges Blood Drive held at the Henderson Civic Center yesterday, July 21st. Thanks to everyone, we were able to successfully raise 69 units donated! We feel this is an awesome number in light of the pandemic we are currently facing, as well as the social distancing measures all are taking to maintain their health and the health of others.

We would not have been able to make this happen without the support of the following organizations, and wish to thank them accordingly:

- City employees and staff for assistance with setup and promotion
- Henderson Fire Department
- Henderson Police Department
- Carter Bloodcare
- KETK staff for their amazing coverage of our event
- The Henderson News for their support and coverage
- KWRD's The Road Show for coverage
- Citizen Police Academy Alumni Association
- Whataburger of Henderson for the stress balls
- Sandra's Snoballs for the donated snoball coupons

We would also like to especially thank the community of Henderson for the support consistently shown to our first responders and all we accomplish as a result of that support. Without each of you, our reach would not be so far.

Thank you once again for the successful blood drive, and we look forward to making the next one even bigger and better.
