On 11/30/2020 at about 3:26 p.m. Henderson Police Department responded to a vehicle-pedestrian motor vehicle crash at the intersection of Jacksonville Drive and Smith Street. The investigation showed a 2011 Red Ford Mustang driven by a 16 years of age white male was travelling southbound on Jacksonville Drive and made a right turn on to Smith Street. Upon turning the driver struck a 69 years of age white female who was walking at the intersection of Jacksonville Drive and Smith Street. The driver advised he was blinded by the sun and did not see the pedestrian walking on the side of the roadway. The pedestrian had severe injuries and was flown to a Tyler hospital. No charges have been filed in reference to this incident at this time.
